

2025 MINNESOTA FRINGE FESTIVAL LOTTERY

(listed by company)

Can't find what you're looking for? Here's a quick troubleshooting:

- **ARTICLES COUNT:** Companies run alphabetically, but articles and punctuation will count. For example, anything starting with "The" will be under the T section. Because Excel.
- **IT'S ON YOU, BUTTERFINGERS:** All of this information was lifted from our database, so it's based on what you typed in as an applicant. If you applied for more than one tier and used "The" on one application and not another, you'll find your company applications split up. If you don't find your company name in the alphabetical order you were hoping for, you may have mistyped it into the form and it appears elsewhere.

Happy hunting and good luck!
