

2025 MINNESOTA FRINGE FESTIVAL LOTTERY

(listed by tier)

Can't find what you're looking for? Here's a quick troubleshooting:

- **SIZE MATTERS:** Know your lottery; the applying companies are first sorted into tiers. **Midwest Trifecta lottery is on page 2. Bronze tier begins on page 3, Silver on page 9, Gold on page 14 and Platinum on page 17.**
- **ARTICLES COUNT:** Once you've found the right tier, companies run alphabetically, but articles and punctuation will count. For example, anything starting with "The" will be under the T section. If you put punctuation before or around your company name, it'll show up before the A section. Because Excel.

Happy hunting, and good luck!
