

2026 MINNESOTA FRINGE FESTIVAL LOTTERY

(listed by company)

Can't find what you're looking for? Here's a quick troubleshoot:

- **ARTICLES COUNT:** Companies run alphabetically, but articles and punctuation will count. For example, anything starting with "The" will be under the T section. Because Excel.
- **IT'S ON YOU, BUTTERFINGERS:** All of this information was lifted from our database, so it's based on what you typed in as an applicant. If you applied for more than one tier and used "The" on one application and not another, you'll find your company applications split up. If you don't find your company name in the alphabetical order you were hoping for, you may have mistyped it into the form and it appears elsewhere.
- **SPECIAL LOTTERIES LISTED:** If a number is eligible for a pick in a special lottery prior to the General Lottery, it is listed. If not chosen in that special lottery, it will be sorted into the General Lottery according to tier (Platinum Tier Pick numbers = Gold Tier in General Lottery).

Happy hunting and good luck!
