

2026 MINNESOTA FRINGE FESTIVAL LOTTERY

(listed by tier)

Can't find what you're looking for? Here's a quick troubleshoot:

- **SIZE MATTERS:** Know your lottery; the applying companies are first sorted into tiers. **Silver tier begins on page 7, Gold on page 12, and Platinum on page 15.**
- **ARTICLES COUNT:** Once you've found the right tier, companies run alphabetically, but articles and punctuation will count. For example, anything starting with "The" will be under the T section. If you put punctuation before or around your company name, it'll show up before the A section. Because Excel.

Happy hunting, and good luck!
